

ADOPT A PANEL

We are looking for enthusiastic ICAS 12 participants who are interested in moderating one or more panel discussions. Please find a list of these Grouped Panels and Book & Dissertation Carousels below.

Session moderators can be provided with a Certificate, which shows the moderator role, upon request.

The official 12-hour programme is scheduled according to Kyoto time between 01:00 PM - 01:00 AM (13.00–1.00) from 24-28 August 2021.

The live one-hour panel and roundtable sessions during the conference dates are designed to focus on discussion. Panel participants and audience can watch the pre-recorded presentations before joining the live sessions or during and after ICAS 12 until 15 October 2021.

The live sessions from 24-28 August will consist of short recaps of 3-5 minutes of each presentation, which will be followed by a longer lively discussion, exchange, collaboration and Q&A.

Please note:

All session times are Kyoto, Japan (JST) timezone based. Check carefully a timezone converter for the time/date at your location. See for example <https://www.worldtimebuddy.com/>
